

Relocation of access to Garner Lane starts Thursday

Monday, July 31, 2023

Columbia, S.C. (July 31, 2023) – Starting on Thursday, August 3, access to Garner Lane will be relocated from the Interstate 20 eastbound ramp to Longcreek Drive, except for motorists accessing the Ramada Limited Hotel. Garner Lane is the frontage road along I-20 eastbound from Broad River Road to the Riverside Golf Center.

Access to the Ramada Limited Hotel will be temporarily maintained from the I-20 eastbound on-ramp until a new drive entrance is established from the relocated Garner Lane, at which point all access from the I-20 eastbound on-ramp will be permanently closed.

Message boards and construction signs will be placed at the intersection of Broad River Road (U.S. 176) and the I-20 eastbound on-ramp, and on Longcreek Drive, to inform motorists of access to the hotel only and the new route to Garner Lane.

Motorists are advised to use caution and plan accordingly in case of delays.

These construction activities are part of the Carolina Crossroads Phase 2 project in Richland County. This permanent closure of access to Garner Lane from the I-20 eastbound on-ramp will allow the project to continue construction operations along the existing on-ramp to I-20 eastbound.
