

# SCDOT to temporarily close I-20 Westbound ramp to I-26 Westbound in Richland County for construction

Wednesday, August 14, 2024

**Columbia, S.C.** (August 14, 2024) - The South Carolina Department of Transportation will temporarily close the I-20 westbound ramp (Exit 64B) onto I-26 westbound beginning 11 p.m. on Friday, August 16 to perform construction. The ramp is expected to be reopened by 5 a.m. on Monday, August 19. The closure is part of Phase 2 of the Carolina Crossroads Project.

As part of this closure, a detour will be put in place. Drivers traveling from I-20 Westbound who wish to use Exit 64B to I-26 Westbound, will instead use the clover leaf interchange by continuing along I-20 Westbound and taking Exit 64A onto I-26 Eastbound, then taking Exit 107B onto I-20 Eastbound, and exiting at 64B onto I-26 Westbound. Message board signs will display detour directions.

Visit the project webpage [\*\*https://www.scdotcarolinacrossroads.com/\*\*](https://www.scdotcarolinacrossroads.com/) ([\*\*https://www.scdotcarolinacrossroads.com/\*\*](https://www.scdotcarolinacrossroads.com/)) for other project information and updates. The public may also contact the Project Hotline at 800-601-8715.

You can plan your route ahead of time by using SCDOT's 511 SC app or by visiting [\*\*511sc.org\*\*](http://www.511sc.org) ([\*\*http://www.511sc.org/\*\*](http://www.511sc.org)).
