

SCDOT to conduct nighttime detour of I-26 ramp to I-126 as part of Carolina Crossroads Project

Columbia, S.C. (April 28, 2025) – The South Carolina Department of Transportation will conduct a temporary, nighttime closure of the new bridge over the Saluda River (Exit 108 B-A) beginning tonight at 9 p.m. This closure will allow crews to complete paving activities for the Carolina Crossroads Project. The closure is expected to last until 5 a.m. on Tuesday, April 29.

As part of this closure, traffic will be detoured using I-26 Westbound to I-20 Westbound and then to I-26 Eastbound. A signed detour route has been placed along I-26 Westbound. A map of the detour can be found below.

SCDOT asks drivers to slow down and pay attention when driving through work zones.

Visit the [Carolina Crossroads project webpage](#) for more information and updates. The public may also contact the project hotline at 800-601-8715.

About SCDOT

The South Carolina Department of Transportation (SCDOT) is the state agency with oversight of South Carolina's network of highways and bridges, including responsibilities such as planning, design, construction, financing, and roadway safety. To ensure the nation's fourth-largest highway system is prepared to serve the needs of South Carolina's growing economy and population, SCDOT has developed a [Strategic 10-Year Plan](#) that addresses improvements to the state's highway and bridge systems.
