## **SCDOT extends continuous closure of the I-126 West off-ramp to Colonial Life Boulevard as part of the Carolina Crossroads Project**

**Columbia, S.C. (December 19, 2025)** – The South Carolina Department of Transportation implemented a temporary closure of the I-126 West off-ramp to Colonial Life Boulevard on Monday, December 1, 2025. Due to unanticipated construction delays, this closure is being extended and is now expected to reopen at 10:00 p.m. on Saturday, January 10, 2026. This date may change depending on weather conditions.

This continuous closure is necessary to allow crews to complete construction activities related to the Carolina Crossroads Project.

As part of this closure, drivers have been detoured to Greystone Boulevard, are directed to Broad River Road, and then to Bush River Road to access Colonial Life Boulevard. Message boards, lane closures, and detour signs have been placed along the route to guide motorists.

A map of the detour can be found below.

SCDOT asks drivers to slow down and pay attention to crews and signs when driving near work zones. Visit the Carolina Crossroads project webpage for more information and updates. The public may also contact the project hotline at 800-601-8715.

About SCDOT The South Carolina Department of Transportation (SCDOT) is the state agency with oversight of South Carolina’s network of highways and bridges, including responsibilities such as planning, design, construction, financing, and roadway safety. To ensure the nation’s fourth-largest highway system is prepared to serve the needs of South Carolina’s growing economy and population, SCDOT has developed a Strategic 10-Year Plan that addresses improvements to the state’s highway and bridge systems.
